Prof. Alexander

Dear Sir

Samuel returns  
to school - we trust feeling right  
and wishing to do right. We ask  
you to show him that you have  
confidence <sup>in him</sup> and are willing to  
let the past be forgotten

This may be a critical  
time with him, and the turn-  
ing point with him for this  
life and the next; and how  
much heavenly wisdom we all  
need that every thing we do  
and say may all be such as  
to encourage and strengthen and  
lead forward in the paths of  
virtue. Trusting you feel these  
things quite as much as we do, we  
commit him to your care and that

of Providence, and with  
many wishes for your prosperity  
and success, and the welfare  
of the School, We remain as  
ever, yours most truly

A. Wilcox
