Minister, Ch. of Eng.

28 Emma St

Dear Sir,

As I am hoping to undertake missionary work
in the unoccupied ground west of Ruk - I should be glad
if you would kindly inform me whether I could procure a passage
in the Morning Star for myself and wife, and at what rate, I
presume the passage would be to Ponahe Ruk or Kuwain as I
understand these are the most likely points from which to find
ships going West

I am Dear Sir

Yours Faithfully

Z. H. Turtow
