

Apr. 4, 1867.

Dear Mr. Wilcox,

We were
glad to see Albert last
week; but he made us
only a short call.
We wish that Mrs. W.
had come with him.
Perhaps both you & she
will be able to ride
over & visit us, ere long;
& you would probably
derive benefit from the
excursion.

Mr. Eschberg rec'd a car-
riage, last week; but
I fear that Mrs. E. will

not be able to ride
in it many times, for
she seems to be
rapidly passing away.
May the grace of the Lord
Jesus be sufficient
for her, & for her af-
flicted friends.

I am sorry that the
foreigners & natives
are acting so, in
your part of the island.
It would seem that
they are bent on destruc-
tion. I think that
there is less drinking
at Goloc than some

months ago.

The May brought our mail. We had a letter from Sanford. He had been spending a part of his vacation in Connecticut; & had visited Boston. He was at College when he wrote. He seemed to be in good health & spirits. He will probably return, before another winter.

You speak of the light crop of plantations generally. How is it

with the plantation
superintended by
George Burkwith?¹⁸
Have heard nothing from
that plantation of
late.

They are grinding the 500
cane now. It is sup-
posed that it will
yield 2 tons of sugar to
the acre.

What is Bloram go-
ing to do?

Love to you all,

Yours,

Truly,

J. L. L.
