Wendnesday Morning

Maui 14th

Dear husband

The Princess got
in on Sabbath fore & back
I've got your letter I'm glad you
had so good a passage,
We are as well as usual
The morning weather still I think to
day is pleasant - she has been
not swarmed - they have in-
creased in numbers at the
outside the hive a good
deal - I don't know if Mrs. Johnson
saw her here or here
She told me that one of them
old swarms had come to
nothing - there was not anything
said about our having one
that is hawking - this
week He is hunting for
George - wants some of his

team Sliper brought Irahua
kuni back last Sat. Morn
Do write that Grieng is
in Honolulu and is coming
back with you I have
thought of a few things to
send for ask the price of
a copper boiler. also of a
tin one like the boiler we
have up garnet - the men
dispos of one we have to
No. 9. if we knew what
to call it worth

2 or 3 yards of Irish linen
nice - for shirt collars,
pina - a good quantity of salt
matches Gaynes medicine
Carmineum and binime
we are nearly destitute of
Miss Jaenbery informs me
that she now and prepares
black silk "No. A." for all

several of work that "No. 0."
is next best - get me
a spool on top of each also
a few spools of Brooks - colored
of brown black & blue -
A little of ^{Brooks} white No. 70-80
Albert wants you to get a
civil code one of the new
ones Perhaps they have the new
law and civil code done up
together

Albert wants you to tell
I am to get a heavy
box at Dunahon ~~and~~
that belongs to him and
bring home.

Albert has arranged
up his house plan
he wants a steel floor
and has gone to get the
No. of the floor that he
wants - he said up to you
but I learn that the vessel

will be up at 11 o'clock
I am expected to keep
this - I hope he will get this
letter off - He says not yet a
large paper at present but
would like to have you look
and inquire for No. 24.
In haste & much love
yours
J. E. W.
