

Waimea Dec. 21st / 37
Dr. Br. Wilcox,

We received
a large mail from Hon
olulu yesterday. This
morning we send to Ho
hala & to Hilo, on the
principle of doing to others
to others as we would that
they should do to us in
like circumstances,

Much news from H.
this time, though no
accounts of Revivals.

I like the letters from
your Nation best, which
speak of the dead —

being brought to life &c. &c.

What hath God wrought
for us! But while we re-
joice with the heavenly
throng, over the conversion
of sinners let us not
forget the thousands
who are now led cap-
tive by Satan at his
will. Have you put on
the whole armour of God.
If so you are competent
for the battle.

I have heard of hardened
sinners being even by the

presence of the man of
God. What a testimony
this to the power of the
Gospel! Happy for us that
we are associated with those
who can wield the sword
of the Spirit. But does
not the Spirit wield his
own sword?

Well I feel encouraged
that I shall some time
or be able to talk to
this people on the one
thing needful.

The Lord still works like
himself in this place
"Praise ye the Lord"

My love to you & Mrs
W. with your associates
Yours in Christ and
