

Honolulu, April 13th 1903.

Dear Mrs. Atherton:

permit me to enclose resolutions passed by the Kawai Association last Thursday, when the news of Mr. Atherton's death reached them. I enclose the original, also a translation which I have made.

May the fact of the high esteem in which your honored husband was held by all the people & the sympathy so widely felt ~~for you~~ be a comfort at this time of your great sorrow.

To Mr J B Atherton
