Dear Hershey

I write you to send by the mail in the morning not that I have anything to tell you more than that we are well, John Skalman came in on Friday we were disappointed in not getting a letter from you, there was a mail box and Mr J. had better, I had forgotten to tell you to send all the boys to the dentist - to have their teeth examined, I fear it is too late for Albert - George is about getting a divorce suit to John last week and says that Mr Rice told him that he had put a cask of sugar on the Margaret for us it seems from the "Advertiser" that we are to be taxed pretty thoroughly, that says the treasurer of the school money is to act as umpire. We shall be looking for Albert & Sup
