Kaahaaha Nov. 25/37

Dr. Br. Wilcox

I arrived at  
this place accompanied by  
Bro. L. at 1/2 past seven this  
morning. We examined the  
last school in our field  
last evening about sunset  
at Keekia, where we lodged  
during the night. held a  
meeting this morning &  
came on to the dividing  
line between Hanakua  
& Hilo. Thought it not  
more than a mile ~~from~~  
~~the~~ to travel but found it  
not less than two. We have  
been much favoured in our  
jour. intend to spend the  
Sabbath in Hanakua.  
The natives here say they  
are to be visited by the  
missionaries of Hilo next  
week. Supposing you will be one  
of them I desire a fare good  
Amos Wilcox H. C. Knapp

I wish you to give this to your wife with your regards
