W. D. Alexander, Esq.

Dear Sir—

I write to ask of you the favor of letting Samuel return home to us on the Brince her first trip down.

His Bro. George is much in want of his help for a few weeks; and as we have understood Samuel to express a wish to labor a while on a farm, we think it may perhaps be for his advantage to do so, and he will very likely be ready to enter with more ardor upon his studies at the commencement of the new school year in Sept. next. I

hope both you and  
Mr. Church may feel  
that it is the best thing  
for all concerned.

Samuel has not been  
very robust, has had  
attacks of illness, and  
it is not improbable  
that he will derive  
advantage by labor  
on a farm

With many wishes  
for your welfare  
and the success of  
the College, I remain  
as ever

Yours

A. Wilson
