Application

to go on a Mission.

To the Missionary Association at
Honolulu.

Greetings to you.

We are Daniel Aumai
and Hukana Mauhi Aumai

We ask you, the officers of the
Missionary Association, if it is
agreeable to your thought, to
allow us to go to the dark lands,
the islands of Nuuhiwa [Marquesas]
to preach God's word and engage
in teaching. For the reasons
which we have considered:

1. Great is our love for Jesus Christ
because of His death. How can
we end this debt if we do not
go out and pay it.

2. Great is our love for the many
souls living in the dark lands.
How can we explain the love, if
we do not go?

We place this thought before you
and for your consideration.
