" 30th. The term closed this day with a public examination. We are called upon for the liveliest emotions of gratitude to our Heavenly Father, on account of the almost uninterrupted health which he has granted to teachers & pupils; for the advance which the pupils have made in their studies; &, above all, for a work of grace upon the hearts of the scholars, which has resulted in the hopeful conversion of Henry Alexander, N. Emerson, Theodore & Thomas Gulick, Rexford Hitchcock, F. Lyman & Charles Parsons. Besides these, 3 or 4 more of the pupils have indulged hope, concerning whose conversion we cannot speak with confidence. The Lord has done great things for us, whereof we are glad. To him be the praise & glory. During the year, a class has finished Olmsted's Nat. Philosophy, & commenced astronomy. The class in Greek have read 14 chapters in Acts, & have advanced to the 30th p. in Felton's Gr. Reader. The First class in Latin have finished Caesar & read all but one oration in Anthon's Cicero. Died

May 21st, at Lahainaluna, Charles H. Parsons, aged 17 years. Charles had been a member of this school nearly a year; & during that time, he has gained the good will & affection of school mates & teachers. Lovely in his disposition, prompt in every required task, & ever striving to oblige, it is not strange that he was a general favorite.

A few weeks before leaving the school he became a decided follower of the Lord Jesus. From that time, his course was upward. He seemed to feel the attractions of heaven, for his speed was accelerated. His death, though sudden was not without preparation.

He is gone, but not forgotten. Long will his memory be affectionately cherished by the teachers & pupils of the Punahou School.

Eleventh Year.

July 28th, 1852, the 11th year of the Punahou School commenced. Present, Edward Bailey, George & Sanford Dole, Mary E. Green, Thomas Newcomb, Maria Rice, Edmund Rogers, Charles & George Wilcox. Many are prevented from attending by sickness.

Sept. 1. N. Emerson.

Drowned

Aug. 7th Edward B. Johnson, in the 13th year of his age. He was on his way from Kauai to school, on board the Kalihiwai, a small schooner. The schooner was capsized in a squall before light on the morning of the 7th, & soon went down. She was, at the time, 8 or 10 miles from land. Edward continued with the boat until within a short distance of the shore, when he was washed away & disappeared. If prompt assistance had been rendered, he might have been saved. But he has gone, & his parents feel that there is hope in his death. For some time before his death, a change was apparent in his conduct, & his parents believe that it was the result of a change of heart.

May God sanctify this sorrowful event to the good of the afflicted family, & the school mates of the deceased.

Sept. 18. On account of sickness (the prevailing fever) I have been prevented from hearing my regular recitations for 2 weeks.

1852

Died

April 24th on board the whale ship Arctic, Wm. S. Emerson, for several years a pupil of this school. His health had been failing for some years &, as a last resort, he embarked for a voyage to the arctic: but his disease had advanced too far to be arrested. Five weeks after embarking he breathed his last, with a hope full of immortality, & went, as we trust, to join his brother John in heaven. John died July 19th 1849.

October 19th The term closed for a vacation of one week. The studies of this term have been much interrupted by sickness.

Oct. 27th. The second term of the year commenced. Present, Samuel T. Alexander, Edward Bailey, Mary Castle, Charles & Lucinda Clark, Munson Coan, Martha & Juliette Cooke, George & Sanford Dole, Nathaniel & Justin Emerson, Mary Green, Wm. & Thomas Gulick, Rexford Hitchcock, Frederick & David Lyman, A. -- E. Metcalf, Thomas Newcomb, Maria & Emily Rice, Edmund, Harvey, Sarah & Caroline Rogers, Charles & George Wilcox. 29.

28th. Joseph Ives.

Nov. 1. Harlan Ives & Porter Green.

" 11. James & Henry Alexander.

" 15. Sarah Clark & Joseph Cooke.

Dec. 7. Henry Lyman.

Great falling off.

M. Castle attended 4 weeks & 4 days; then ceased to attend. Sarah Clark attended 11 days. Lucinda Clark 11 days. Charles Clark 5 weeks & 1 day. Joseph Cooke, 3 weeks. Martha Cooke, less than 3 weeks, only 9 days. Juliette Cooke 4 weeks & 4 days. Joseph Ives 4 weeks & 3 days. Harlan I. 5 weeks. Edmund Rogers 3 weeks & 3 days. Harvey R. 5 weeks & 2 days. Sarah R. 4 weeks & 3 days. Caroline R. 4 weeks. The above attendance, for the most part was quite irregular, until it ceased. The parents gave no reason for their children's staying away; except in 2 instances. We have heard that some of them stated as a reason that their children did not learn at Punahou. But with such irregular attendance, could it be expected that children would learn? Yet the teachers must bear all the blame for their not learning.

Jan. 18th 1853. The term closed, this day, with a public examination. A number of the gentlemen present expressed themselves as highly pleased with the appearance of the school & with the proficiency of the scholars.

Feb. 9th. The third term commenced. Present, Mary Castle, Isabella Chamberlain, Sarah Clark, George & Sanford Dole, Mary & Porter Green, John, Theodore, Thomas & Charles T. Gulick, Horace Holden, Henry Lyman, Thomas Newcomb, Maria Rice, Charles & George Wilcox, Angelina — & E. Metcalf. = 19.

Feb. 10. In addition to the above, the following were present, viz. Jas. Samuel & Henry Alexander, Edward Bailey, DeWitt Cartwright, Rexford Hitchcock, Frederick & David Lyman, Nathaniel & Justin Emerson. = 29.

" 21 " M. Coan & Emily Rice = 31.

March 23. The Minister of Public Instruction spent about an hour in the school yesterday, & a longer time today.

May 6th. The term closed this day with a public examination. The scholars have generally made very commendable progress in their studies during the term. The 3 young ladies, from Honolulu have been very punctual in their attendance, not having been absent more than 2 days during the term; & then, they had a sufficient excuse.

The year just closed has been one of severe trial to the teachers. Scholars have been unceremoniously taken from the school in the midst of a term; then rumors were circulated that the school was running down; that there was a general dissatisfaction with the principal teacher; that he was not at all fitted for his office, & efforts were made to remove him. But in the mean time, our hearts were cheered by observing the interest which our boarders manifested in their studies, & their increasing desire for improvement. The Holy Spirit has also been among them, & there have been several cases of hopeful conversion. The Lord has been on our side, & we bless his holy name for all that he has done for this school. May he ever have it under his holy keeping, & make it a blessing to the world.

Jan. 24th. The term closed for a vacation of 3 weeks. Though we have not enjoyed the converting influences of the H. S. as we hoped, & most ardently longed for, yet our heavenly Father has blessed us. The pupils [!] have enjoyed excellent health, & have made commendable proficiency in their studies. Miss Green has assisted in the instruction of the school, & has been unwearyed in her labors.

Feb. 15. The Third Term of the year commenced. Present, Samuel, Alfred, & Frederick Carter; George & Sanford Dole, Julius & Charles Dudoit, Nathaniel, & Justin Emerson, Porter Green, Rexford Hitchcock, Ellen & Isabella Holden, E. & A. Died, Jan. 18th, Charles F. Gulick, at a water cure establishment, in the State of New York. Charles was for several years, a member of this school, but his health having failed, he went to the U. S. in 1850. He was a youth of respectable talents, & of hopeful piety. His end was peace.

May 10. The term closed this day, with a public examination. Owing to circumstances, a part only of the classes were examined, & those in a very brief manner. Mr. Fuller has taught vocal music during 2 terms of this year, & the scholars have made good proficiency in learning to sing. On the evening of Tuesday, the 9th there were exercises in singing & declamation, & quite a number from Honolulu were present. The singing appeared to give much satisfaction. Miss Green has assisted in the instruction of the school, 2 terms this year, & her faithful services have been very valuable.

About the middle of the term, now closed, Mr. & Mrs. Rice left the school & removed to Kauai, thus creating a void not easily filled. Mr. & Mrs. R. have been connected with the school about 10 years, laboring in season & out of season for its interests, & for the comfort of all connected with it.

The Holy Spirit has been with us during the term now closed, & we have enjoyed a season of refreshing from on high. The pupils who were previously the disciples of the Lord Jesus seemed to be converted anew, and quite a number of the others, have, as we trust, been gathered into the fold of the Good Shepherd. May the Good Shepherd watch over & keep all these precious lambs. We feel that we cannot be sufficiently grateful for what the Lord has done for us. To him be all the praise.

1855. Jan. 23. The term closed for a vacation of 3 weeks. At one time, during the term, there appeared to be an increasing religious interest among our boarders, & we hoped that the Lord was about to revive us. But the term has closed, & the refreshing from on high has not been enjoyed. Oh that the Lord may watch over, & keep our pupils during their absence; & return them, with their minds deeply impressed with the importance of eternal realities!

Feb. 14. The 3rd term commenced. Present, Mary J. Baxter, Samuel, & Clarissa Armstrong, Mary Castle, Isabella, & Levi Chamberlain, Sarah, Charles, & Lucinda Clark, Joseph, Martha, & Juliette Cooke, Munson & Harriet Coan, George & Sanford Dole; Nathaniel, Justin, & Joseph Emerson; Porter Green; Wm & Thomas Gulick; Wm W. 19th. Henry & Mary Jane Alexander, & Charles Baldwin.

May 8. The term closed with a public examination. Messrs. Armstrong, Baldwin, Strong, & Ogden, U. S. consul, expressed themselves as highly pleased & gratified with the exercises.

Though we cannot speak, as in former years, of a revival among our pupils, yet we have reason to believe that the H.S. has not forsaken us. The appearance of increasing seriousness has been noticed in some; & we trust that some feel more than heretofore that "one thing is needful."

I have heard 1 recitation in Greek, 3 in Latin, 1 in Ancient History, & 1 in Geography.
