Love to you.

Mr. and Mrs. Baldwin, Julia Kealoha and all the Christians in your church.

This one important thing I must tell you, that God has severely punished the evil doers in our church. Many have turned to gambling, and also to idol worship.

We thank God that our family and the faithful members are strong and well.

Bishop has encouraged us to trust in Lord and the Spirit of God. God has strengthen us to teach His truth, and we have gained much.

Aloha to you all

Love to both of you Mr. & Mrs. Baldwin
Love to Julia Kealoha and
Kalema, and also all the
members of your church. We have
much love for you all.

We prayed much to God for
you all. We have often wished
to come over, but God doesn't
permit.

The members have pledge
a dollar a year for the church
and to be handed to the deacon
of the church.

We bought a new bell for the
church. It weighed 775 pounds;
and paid $169.00 for the bell.
We have a bell to call the
members to our meetings.

The kingdom of the devil is
fat. Most of our folks here
belong to that kingdom.

I still preach the gospel to the
people here.

I sold my sweet potatoes
to the boats that come here
and I have earned $50.00.
I have two cows now.

Some people are very jealous of my gain.. I have leased a pasture. God will bless those who seek him faithfully.

Love to you all!

Aloha to you

Mr. Baldwin and the church members at Lahaina.

I want to inform you that we (wife and Mr. Waimalu) will be in Lahaina in the first week of March if we find a boat to bring us. We want to see you face to face as God seems to stir us, and I have faith he will bring to pass.

God has been gracious to us here. I have good faithful members and faithless once too, but all in all He is merciful to us.

The Grace of God makes us whole. Amene.

Waianae Sept 29, 1852.

Love to you, Mr. and Mrs. Baldwin and ~~their~~ members of your church.

I am doing the Lord's work with patience. My brother B. Hoimaikilo is living with me.

Very early in the morning before the dawn of the day my whole family is ready for the devotional hour with the Lord. After that we go to the farm and work, and when the bell rings, we come home ready for sun rise meeting.

The land owners are still making trouble for us here, but we still carry on the Lord's work.

The king's agent is complaining because I received $100.00 from the lease of the schools, but I still have faith in God who will help me!

This is all.
