Dear Sister

Received your kind note for which I thank you very much - It was just such a note as I like - seemed to give me a peep into your little family - I was just getting quite low spirited when I received it - I assure I sympathize with you in your numerous cares & pray for you that you may have strength as your day.

When my little one was 17 weeks old I commenced school but have been obliged to leave

it on account of my health  
which is very poor. Little  
Joseph Platt is ten weeks old  
weighs 11 1/2 pounds. One of the  
best boys you will see. Never  
has had much trouble as yet.

Sister Castle ~~has~~ is comfort-  
ably settled in her present house  
is well & they have been to  
Hawaii just returned.

Bro Locks little boy is  
little better not however  
out of danger.

You have had a visit from  
Bro McDonald & Bro John-  
son -

How is it about your house  
do you have it fixed  
so as to be comfortable.

Sister Beattie & myself  
not yet provided with  
domestics — have some active  
trials

Joseph sends love to  
Charles as near as I can un-  
derstand. Love from me  
& mine to thee & thine —
