Rev. O. P. Emerson

Honolulu

Dear Sir

I take the liberty to ask you information about a piece of land mauka joining the school lot in Hanalei. I heard that the mission is willing to sell it, and as it is used at present as a playground for the school children, I think it would be a good thing to buy it for the school. Please kindly let me know the price &c

Very Respectfully

J. W. Trock

School Agent Hanalei District.
