Rev. O. P. Emerson,
Honolulu, Oahu,
Greetings:

I have received a letter from Mr. Oleson, Principal of the Hamehameha School asking about my son and I replied to him.

I am asking a favor of you to confer with Mr. Oleson about his tuition from a certain "haole" to whom he wrote. Great is my desire to send Job Manase to the school but the trouble is that my income has been reduced this year and I am in financial straits.

Please send me a Bible dictionary and I shall pay for it.

We all are well.

Rev. O. P. Emerson,
Greetings:

I received your letter.
Job Manase is in Kamehameha School.
No further counselling is necessary.

But a different boy is Hamoani
Kaehe about whom I am writing to
Mr. Oleson.

I told Mr. Oleson the record of this
boy. He became a church member.
Opposed greatly his parents, was very
angry, fearful, that child. May God
help. Consult Mr. Oleson. Love.
