Dear Bro Wilcox

In a letter from Mr
Armstrong rec'd a few days since
he says, "The Board wishes to get^{rid}
of the support of Mr Wilcox ma,
could Mrs W. be engaged to take
charge of a family school for girls? *

What do you think of such an
undertaking? - A subscription
paper is in circulation here for
the purpose of raising funds for such
a school and \$280. have already
been subscribed -

I have a meeting with the
school teachers to day and it is
now time for me to go to the school
house -

Very truly Yours

J. W. Smith
