Prof. H. S. Cooper
Rept. of Prokya

Dear Prof. H. S. Cooper
Jan. 15, 1870.
I have the honor to report our observations
on the fauna of the islands of the Malabar coast
from time to time. We have made a number
of observations on the fauna of the islands
of the Malabar coast. The following
is a list of the islands which we have
observed over with some detail. We have
not been enabled to make very accurate
observations on the islands of the Malabar coast
but we have made a number of observations
over the islands of the Malabar coast.

Yours etc.,
C. A. - Malabar
